May Minutes: motion by Matt Schwartz, Tamer Gomaa second, all in favor passed

Treasurer's Report – Wayne Delgado:

We should be getting a new debit/credit card on Friday. Wells Fargo got everything straightened out. Don't want to switch until December or January. We had a customer service issue with Wells Fargo in the past. They had no idea who the Corner Kick Club was. Need to have the full names on the minutes. It was a drawn-out process.

Stack transfers everything automatically.

Wayne will visit Peoples and another bank to do research and comparison. Wayne will bring information to a later meeting and we can decide what we want to do. Amy Scott is going to give a name of a contact person at another bank.

It was mentioned that we might not need to wait until December or January to switch over. If it is better to switch over sooner, it can be done.

Sending everyone a form to complete for any reimbursements.

Matt Schwartz moved to approve treasurer's report

Kelly Fogelman seconded.

All approved.

President's Report – Suzanne Reed:

Can we do a mini camp in the winter inside. Maybe futsal inside? The outdoor camp went so well and we made a lot of money. Could we do it on a smaller scale inside. Maybe to get the younger kids ready for the spring season?

A summer restaurant fundraiser? Are we still interested? Doesn't take much leg work and we get a couple hundred of dollars. Yes, we should try to set one up at Tropical Café Smoothie.

Sarah, Noel, and Jenn have a good timeline on Google Docs so their positions can be replicated next year. I would like to get the Google Drive updated so next year someone can take over. Keep a running tally so we can update all you do and when. Type up a Google Doc and a timeline and get it to Suzanne. It can either be on Google Docs or even a hard copy in a binder.

Coach's Report – Kevin Baker:

Nothing to report.

During the concession stand agenda item the following was brought up. Only one night game currently scheduled for this year. Senior and youth night all on the same night. He is working to add one more night. There is some conflict with football and band needing the field and then also giving field hockey and girl's soccer equal night games. Faculty All-Stars works better right after school. It was asked if he would like parents to reach out to show support of adding back our second night game. He asked us to wait until he looked into it some more.

Committee Reports:

Event Chairs/Co-Chairs:

Youth Camp Fundraiser - Noel Johns / Jennifer Hampshire

It was wonderful and very successful!

138 participants

Mix up of adult shirts instead of youth shirts. They gave them to us for free. And got them done in time to hand out the first night.

Two main sponsors

Athletic trainer donated their services

We made \$10,736.71

\$4.50 for each t-shirt. That included printing on both sides. It was a wonderful price.

Huge credit goes to our boys. They did an amazing job.

Do we cap it next year? Was this year just a fluke because of the Covid and parents wanting their kids out.

Extra shirts will be saved for youth night.

We have 60 water bottles left over.

Concession Stand (Paper Products) – Jane Mulholland and Kelly Fogleman

Got all the notes from Daneen. Felt better before the notes.

Set up a Sign-up Genius to have families contribute the drinks, etc.

Evening and Saturday games have the full refreshment stand.

4:00 games will have a small table with drinks and candy.

Suzanne has a banner.

Coach said please make sure you get to watch the games too and are not just in the concession stand for every game.

It was also mentioned having either JV or Freshman team help with concessions during senior night.

Suzanne has the concession bin and the banner from Daneen.

Community Service Project Rep – Rebecca Morris

Sarah Yohe would still like us to do Girls on the Run. She can be our contact person for it.

Reading at Neff to the kids. Coach said Taylor will set that up.

Maybe a coat drive.

Freshman Team Rep – Khristine Bressler-Buckius and Jennifer Stohr

August 30 – September 3 for the freshman picnic. Sarah will check with Scott.

Sarah will meet with them to explain things. Suzanne will also contact them.

Banquet – Suzanne Reed and Donna Buckwalter

Wednesday, November 17

Two moms willing to shadow: Natasha D’Orazio and Megan Kennel.

Suzanne was interested in changing the location to a barn.

The yellow barn at Landis Valley.

200 – 250 people max

They normally charge \$5000 just to rent but will give it to us to \$1500.

Checking into catering to see if we could do it.

It has bathrooms and heat.

Wanted to look into it as an option.

Are we needing to keep it as a formal banquet with formal banquet food? Ideas were suggested for catering options: Hess’s barbeque, BiGi in Leola, Sei Catering (Lititz based), Country Home Catering (tied to Zig’s Bakery)

What about food trucks? Price of food truck might be prohibited. Would need to work out how they could serve the number of people.
